

REMARKS

Status of Claims

Claims 1-17, 19-21, 23-28, and 36-44 are pending in the application. Claims 1-17, 19-21, 23-28, and 36-44 are rejected.

Rejections under 35 U.S.C. §102 and 103

The Examiner rejected claims 23-28 and 36-44 under 35 U.S.C. §102(b) as being anticipated by Ingle et al. ("Ingle"), U.S. Patent Nos. 6,091,995 or 6,216,704. The Examiner also rejected claims 1-17 and 19-21 under 35 U.S.C. §103(a) as being unpatentable over '995 Ingle et al. Applicant, through its representative, wishes to thank the Examiner for the teleconference held on March 8, 2007. Applicant suggested to the Examiner that the rejections of the claims should properly be an obvious-type double patenting rejection because, although not apparent on their face, the '995 and '704 Ingle patents were commonly owned by the same assignee of the present application as of the filing date of the present application, i.e. January 15, 2004. When the present application was filed, it was assigned to SURX, Inc. Subsequently, SURX, Inc. changed its name to Solarant Medical, Inc. Also note that in a prior conference with the Examiner, the Examiner questioned whether in view of Applicant's arguments submitted in its September 29, 2006 response the limitation of claim 1 reciting "100 cubic millimeters" should be "300 cubic millimeters." Applicant acknowledged that the Examiner was correct. However, due to the filing of the terminal disclaimers herewith, Applicant has amended the claim to its original form of "at least 100 cubic millimeters."

Applicant submits herewith (i) a terminal disclaimer over the '995 and '704 patents; (ii) Notice of Recordation of Name Change from SURX, Inc. to Solarant Medical, Inc. in the present application; (iii) Certificate of issued by the Secretary of State of Delaware evidencing the name change from SURX, Inc. to Solarant Medical, Inc. on February 3, 2004.

Conclusion

Applicant respectfully submits that with the filing of the terminal disclaimers and other evidence presented herein all pending claims are allowable, for at least the reasons discussed above, and respectfully requests that a Notice of Allowance with respect to all pending claims be issued in this case.

If the Examiner believes that a teleconference would be of further value in expediting the allowance of the pending claims, the undersigned can be reached at the telephone number listed below. The present response is being filed within the three-month statutory period for response (on or before March 19, 2007), and no fee or petition for an extension is due. If, however, it is believed that any additional fees are necessary, the Commissioner is hereby authorized to charge or credit any such fees or overpayment to Deposit Account No. 50-1901 (Reference #687-3101/US).

Dated: March 19, 2007
